

April, 2023

Time sure flies! April 15th marks Elegant Foods 32nd anniversary. We deeply appreciate your business and the confidence you have placed in us when choosing your specialty foods and bakery products. We continue our pledge to bring you the highest quality products available in the marketplace. We have always enjoyed working with you to offer new and exciting options for your customers. On behalf of our entire staff, thank you for choosing Elegant Foods!

April signals the start of a big month for buffets and celebrations with graduations and weddings. A great line to look at for large events, is **Original Cakerie**. We have a nice selection of large sheet cakes that can be cut to your desired size. (all cakes are 12x16x3). Available flavors include **Chocolate Layer**, **Deep Chocolate Cocoa**, **Lemon and Cream**, **Strawberry Shortcake**, **Tuxedo Truffle Mousse** and **Tiramisu Layer**. We also stock Original Cakerie's traditional **Nanaimo** and **Silk Chocolate Truffle** bars. For pricing and more detailed information, please visit Original Cakerie on our website.

Easter and Mother's Day are also big occasions for **Lemon Bars**. We stock lemon bars from **Sweet Street**, uncut 1/4 sheet trays, (\$22.45) and **Silverland** brand, 32 cut, 12x18 (\$38.09). For more information and a complete list of available bars, please visit Sweet Street and Silverland brands on our website.

Elegant Foods is well stocked with petit fours, mini dessert cups and individual desserts from **Traiteur de Paris**, perfect for all special and large occasions. I highly recommend this line for their beautiful presentation.

We continue to work hard at maintaining our inventory through the busy season. The marketplace is improving, but some items continue to be a challenge to order and receive on a timely basis. Please try to work ahead and order early, so that you will not be disappointed.

If you need any suggestions for spring menus, please do not hesitate to give our office or your sales representative a call.

Sincerely yours,

Michael J. Olson
