

May, 2025

Spring has been off to a bit of a late start as far as the weather goes. Let's hope May catches up with warmer temperatures so we can turn our thoughts to a busy, warm weather season. We are getting ready and can tell our customers are, too. More business is opening for the season in Door County, and [we are now delivering to the County every Thursday](#).

Now that we are entering our busy season, it is becoming much more difficult to process [large orders](#) that are received after 2:00 p.m. [Please note](#), if you call or place an [online order after 2:00 p.m. for next day delivery](#), [we can no longer guarantee](#) you will receive your order that day. We are, however, able to process small add on's prior to 6:00 a.m. the day of your delivery. If you have any questions about placing orders, please give us a call at 608-249-7711.

Note that [Memorial Day is Monday, May 26th](#). We will **not** be making deliveries, but our [ordering process for Sassy Cow milk will not change](#). Please make sure to have your orders placed **BEFORE 6:30 a.m. on Monday morning**.

Sincerely yours,

Michael J. Olson
