Todd is a licensed cheesemaker and became the State's first farmstead dairy to offer a full line of goat's milk products. They offer a unique line of **farmhouse goat's milk cheeses**. Caprine Supreme's products have become known for their clean, fresh taste. If you have not yet tried their fresh goat curds, you are missing out! We stock their **chevre**, **goat brie**, **goat curds** and **gouda**, and all are stand-out goat's milk products. Please visit **Caprine Supreme** on our website for more information.
