

April, 2026

Another year has passed and April 15th marks Elegant Foods **35th anniversary**. Thirty-five years ago, I had a dream of bringing quality, specialty foods to Madison and now we have grown to serve the state of Wisconsin, northern Illinois, and a bit of Iowa. At the time, I had no idea where we would be in 2026! We deeply appreciate your business and the confidence you have in us. We wouldn't still be here without the support of our employees, vendors, customers and friends. We continue our pledge to bring you the highest quality products as we continue to look for new and exciting options for your customers. On behalf of our entire staff, **thank you** for working with Elegant Foods!

April and May signal the start of a busy time with buffets and celebrations for Easter, Mother's Day, graduations and weddings. A great line to look at for large events, is **Original Cakerie**. We have a nice selection of large sheet cakes that can be cut to your desired size. Available flavors include **Chocolate Layer**, **Deep Chocolate Cocoa**, **Lemon and Cream**, **Strawberry Shortcake**, **Tuxedo Truffle Mousse** and **Tiramisu Layer**. We also stock Original Cakerie's traditional **Nanaimo** and **Silk Chocolate Truffle** bars. For pricing and more detailed information, please visit **Original Cakerie** on our website.

Elegant Food's bakery has an exciting new product that is especially perfect for coffee shops and is also a great breakfast treat. We've taken **Bindi's Bomboloni**, (a delicious, soft fluffy fried dough, rolled in sugar) and created a **Filled Bomboloni Variety Box**. The variety box has six of each in **Cherry**, **Chocolate**, **Lemon** and **Raspberry**, (24 total, \$59.76). **Bindi's plain Bomboloni**, 24 per case, \$33.45.

We just ordered a new line that may be a nice choice to upscale your tea offerings. We are excited to be working with **Palais Des Thes**. Originating in France, since 1986, Palais Des Thes offers a curated selection of over 250 premium teas that are sustainably sourced from around the world. They offer premium signature blends, single estate and Grand Cru Teas. Arriving shortly is their entire **Prestige Line**, including **black**, **green**, **rooibos** and **matcha** teas. All teas are 100% organic and come in **cotton bags**. Please visit our website under the brand Palais **Des Thes** to view our entire list of products.

If you need any suggestions for spring menus, please do not hesitate to give our office or your sales representative a call. Our website holds over four thousand items, we are happy to recommend ideas and products.

Have a great season,

Michael J. Olson
