

September, 2021

I find it difficult that I'm thinking and writing about the exact same thing that I did last September. It appears that we still have no idea what the fall season will bring in terms of dealing with Covid. I hope that you have had a summer season that exceeded your expectations as we all try to navigate this new normal. It is hard to predict what will happen to business once the cooler weather arrives.

Fall is the season for apples! Check out our variety of apple options that are perfect for this time of year. Sweet Streets Individual Rustic Apple Galette, Caramel Apple Granny Bars, Caramel Ginger'd Apple Crisp, Sweet Sam's Apple Crumb Cake, Silverland's Taffy Apple Crumb Bar, and Elegant Food's Bakery Deep Dish Apple Pie. For more ideas, visit our website and search for "apple".

As Fall approaches and the weather cools down, we are well stocked with soups from Blount and True to warm your guests. We have a wide variety of sauces and flavorings from Torani, Monin and Da Vinci that make great Fall drink creations, and from Vermont, Mountain Spiced Apple Cider. If we can offer any suggestions as we transition into fall, please do not hesitate to give your sales rep or our office a call.

I'm pleased to announce a new product from Door County. We now carry Door County Creamery's Chevre. Made in Sister Bay, Door County Creamery's Chevre has a fresh, creamy, clean flavor. This young, fresh cheese represents the flavor and freshness of their farm's goat milk. Their cheese is made over a three-day period using a traditional French technique. Sold in a 5lb. tub, \$ 15.29

Labor Day Holiday schedule, please mark your calendar and note that Elegant Foods will be closed for the Labor Day holiday, Monday, September 6th.
